

Resource List of Key VLBA Personnel

This table gives contact information for key NRAO personnel who are available to assist the VLBA user community. Individuals can be contacted through e-mail at “username@nrao.edu”. Usernames are constructed from their first initial followed by their last name, with a maximum of 8 letters. In some circumstances, notes give a group e-mail account that should be used. Phone numbers are +1-575-835-extension unless otherwise noted.

Name	Location	Extension	Room	Responsibilities and/or Expertise
Lori Appel	AOC	7310	336	Scheduling administrator
